Assunto: artigo PAB
Para: amandinha <amandaposselt@gmail.com>

Eu, Sérgio Ely Valadão Gigante de Andrade Costa, concordo com o conteúdo do trabalho intitulado "Soil water availability and soybean physiological parameters in a season affected by drought of a long-term no-till integrated crop-livestock system under different grazing intensities" e com a submissão para a publicação na revista PAB.
Atenciosamente,
Sérgio Costa
